WHAT'S SPECIAL ABOUT SAFFRON FOR INTERMEDIARIES

You probably have two types of applications on your desk. There's the big pile - the straightforward ones. They're simple because they fit the criteria demanded by most lenders. Then there's the little pile. The ones where the applicant has unusual circumstances or the property is out-of-the-ordinary. The self-employed and people with irregular income. The odd properties, self-build projects. These are the tough ones. So make them simple. Call Saffron first. We are experts in specialist mortgages with a more flexible approach to many other lenders that's based on people, not products. Our underwriters examine every application. They work harder, delve deeper and may even ask you a few more questions. Sure, this may take a little more time but it's good news for you because we're often able to say the one word your customers want to hear most: **Yes**

We can also help borrowers facing everyday situations such as buying a first home, moving to another home or remortgaging.

If one of our existing mortgages doesn't quite fit, then we may be able to tailor a mortgage to suit their precise needs.

SELF BUILD AND CUSTOM BUILD MORTGAGE

Available to self-builders who want to buy a plot of land to build a new house or refurbish an existing structure for their own occupation. Funds for the project can be drawn down in flexible stage payments. Available to First Time Buyers. Available for custom-build. For custom-build applications, please select the self-build product and mark as custom-build in the notes section.
