How do we share your information with Credit Reference Agencies?

In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs"). To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information.

We will use this information to:

- Assess your creditworthiness and whether you can afford to take the product;
- Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s);
- Trace and recover debts; and
- Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

How do we share your information with Fraud Prevention Agencies?

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found by writing to us using the details above.

What should you do if your personal information changes?

I/We apply for a mortgage loan.

If I am an individual I apply to be a Borrowing Member according to the Rules of the Society, copies of which are available from the Society's Principal Office or any branch. If this is a joint application by individuals I/we understand that the First Applicant will be the person named first in the Society's records in respect of the mortgage and will be the Representative Joint Borrower according to the Rules (provided that individual is a Borrowing Member).

I understand that if I am a Body Corporate or apply as a bare trustee for a Body Corporate, that a Body Corporate cannot be a Borrowing Member of the Society and that no person will exercise voting rights in respect of the mortgage under the Rules.

I/WE declare that:

1. I/We have been given a copy of the European Standardised Information Sheet. I/We have read the contents of this document and having had time to consider this, I/we wish to proceed with the mortgage application.
2. I/We are over 18 years of age.
3. The information given in this application is true to the best of my/our knowledge and believe that I/we have disclosed any additional information which is material to my/our application. If, prior to completion of the mortgage, there is any change in my/our circumstances which affects (or may affect) the information supplied, I/we will notify Dudley Building Society in writing immediately. I/We understand that Dudley Building Society may withdraw or vary the terms of any mortgage offer at any time prior to completion.

5. I/We authorise Dudley Building Society or its agents to instruct a Valuer to prepare a mortgage valuation report at my/our cost and I/we understand that the fee is payable in advance and is not returnable whether or not an offer of a loan is given. I/We understand that such a report will be obtained by Dudley Building Society for its own purposes and that Dudley Building Society is not the agent of the valuer or firm of valuers. I/We further understand that neither Dudley Building Society nor the valuer nor the firm of valuers will warrant, represent or give any assurance to me/us that the statements, conclusions and opinions expressed or implied in the report and mortgage valuation are accurate or valid and that the report will be supplied without any acceptance of responsibility on their part to me/us. I/We accept that I/we will be given a copy of this report. For re-mortgages of up to 60% loan to value the Society may use a limited external inspection or computer based data to value the property.  - a) Guide to Valuation Fees;
 - b) List of Charges.
7. I/We confirm that my/our income is as stated in the application and is sufficient to support all of the relevant payments required to sustain the mortgage.
I/We understand that a false or misleading declaration may forfeit any mortgage offer or subsequent contract and that a failure to maintain the payments due may result in repossession and subsequent sale of the property by Dudley Building Society.
8. I/We authorise the Society or its agents to make any enquiries of such persons it considers necessary in relation to this application, to confirm the truth and accuracy of the information. Any costs incurred in doing so will be my/our responsibility. I/We authorise Dudley Building Society to disclose any information provided by me/us on this application to a collective mortgage or other credit data checking system so that it can be made available to other financial institutions where this is done in the interest of fraud prevention.
9. I/We authorise Dudley Building Society or its agents to disclose details in this application to one or more credit reference agencies and to use appropriate statistical techniques (credit scoring) as part of the decision making process when assessing my/our application for credit. [Whether or not the mortgage is granted a record of the search will be recorded against my/our file by the agencies concerned. This information may be searched by credit grantors and used in assessing applications for future banking, loan or hire facilities and for debt collection purposes as to how the I/we have performed in meeting my/our obligations under the mortgage. If the mortgage is granted, it may pass information relating to the conduct of the account in accordance with the data protection registration held by Dudley Building Society. (The names of such credit reference agencies can be supplied by Dudley Building Society)].
10. In the event of this application or any mortgage offer which may be made not proceeding, I/we will not be entitled to a refund of fees or related costs.
