Legal Process

Fast Track Remortgage Service

Our Fast Track service is designed to speed up the completion process - and at the same time minimise the costs incurred by your client.

This is because for qualifying applicants, there is no need for them to appoint their own legal representation.

How does it work?

Our solicitors will act on behalf of West One during the remortgage process and will disburse the loan proceeds and complete the loan transaction.

Does my client need Independent Legal Advice?

There will be some instances where independent legal advice will be required, e.g. generally, where an applicant is over 70 years old or when personal guarantees are required. We will notify you during the underwriting process when such advice is needed.

What fees are payable for Fast Track?
