Notes about our mortgage products

- These products are available on repayment or interest-only terms.
- On expiry of the fixed rate product, the mortgage will revert to a rate of interest which will be at a variable rate above the Bank of England Base Rate (BBR) for the remainder of the loan. The rate will move up and down in line with BBR but if BBR falls below 0.00% the rate your client is charged won't change. Please refer to the product table for further details on the rates applicable.
- If your client makes any lump-sum payments or repays the loan within a special deal period, an early repayment charge may be payable.
- Please refer to the early repayment charge section of the table for details. Overpayments up to a maximum of £499.99 per month can be made without incurring an early repayment charge.
- A list of our fees and charges accompanies all mortgage illustrations.
- There is no maximum loan amount.
- Minimum loan is £50,000.
- Monthly interest - If your main mortgage account was taken on a monthly interest basis, then your Further Advance account will also incur interest monthly. Interest is added to the mortgage account for the period from the date the loan was made until the last day of that month. Thereafter, interest is charged monthly on the balance outstanding at the end of the last month. Your Mortgage Offer will have clarified any specific conditions in relation to how interest is charged. Payments in excess of the required monthly payment will have the effect of reducing the balance outstanding and the amount of interest to be paid.
- Daily interest - If your main mortgage account was taken on a daily interest basis, then your Further Advance account will also incur interest daily. Interest is calculated daily on the sum outstanding at the end of the preceding day. Your Mortgage Offer will have clarified any specific conditions in relation to how interest is charged. Payments in excess of the required monthly payment will have the effect of reducing the balance outstanding and the amount of interest to be paid.
- These mortgage products aren't portable.
- All mortgage products are subject to availability and can be withdrawn at any time.
- Buy to let loans aren't regulated mortgages.

For interest-only or part repayment/part interest-only, it's the borrower's responsibility to ensure they have sufficient funds available at the end of the term with which to repay the loan.
