## We support the following borrower types

Individuals	Limited companies (new and existing SPVs and LLPs)
Sole traders, partnerships and trusts	Offshore entities
Portfolio landlords (no maximum portfolio size)	First time landlords & first time holiday let landlords (minimum household income of £35,000)
Expats and foreign nationals (no need for UK residence)	No limit to the number of borrowers, directors or shareholders

## We lend on the majority of residential assets including the following property types

HMOs (no maximum number of rooms)	New-build flats
MUFBs (no maximum number of units)	Short-term, holiday and Airbnb lets (we work off the rental income generated not just the AST value) and no restriction on maximum number of units - existing exposure limit of £25,000,000
Serviced accommodation	PBSA (priced on application)
DSS, vulnerable and sitting tenants	Commercial to residential conversions
Low rental yielding properties (that require outside income)	Flats of good quality above 10 storeys can be considered
Semi-commercial (if residential aspect more than 35% - up to 75% LTV)	Flats above commercial premises

All valuation and legal fee scales are available at [htb.co.uk/go/fees](https://htb.co.uk/go/fees)

\* Foreign nationals and any borrowing structure that requires enhanced due diligence such as Trusts or complex structures (3 steps or more), connections to high-risk jurisdictions (including for source of wealth), PEPS and any other non-standard applications which require higher levels of investigation. Please discuss any such cases with your BDM for confirmation of approach.
