

# Commercial Finance Gold Broker Product Guide

8<sup>th</sup> November 2023

For use by professional finance and mortgage intermediaries only. This document and the information it contains should not be shared with clients. This pack and its contents supersedes all previous packs, criteria, special plans and commissions.

## Unregulated Bridge – an overview of our criteria

Residential investment property (including BTL) in England, Scotland and Wales.

All commercial property types (including land) considered on merit.

#### **Valuations**

We'll use whichever valuation comes back the lowest, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

The **broker or applicant** must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

If there is more than a 10% difference between market value and the 90 day projected market value for a residential property, or more than a 15% difference between market value and the 180 day valuation for a **commercial property**, this should be referred.

#### Valuation Bypass Scheme

AVM's are accepted on standard residential property types (excluding new builds). Maximum LTV and loan size may be reduced based on the confidence level.

All property valuations over £1 million are strictly subject to Underwriter approval. Additional audit valuations may be required on properties worth £1.5 million or above and on higher loan to value applications.

Further details available on each individual product plan.

## Loan Purpose & Exit Strategies

**First charge** is always required against the property being purchased.

The following exit strategies can be accepted: sale of current owner-occupied property, sale of the security, remortgaging or inheritance where a grant of probate has been issued.

**Re-bridging** an existing bridging loan may also be accepted.

**Please note** – independent legal advice will be required on all applications.

We will consider many status profiles and a wide variety of income sources.

Expats and non-UK residents may be accepted.

There is a minimum age of 18 years and if self-funded, no maximum age. If income is required, a maximum age of 80 applies.

Affordability will be assessed on a total secured debt to income (TSDI) ratio. The total secured debt payments should not exceed 50% of the clients net income/profit.

TSDI referrals can be accepted up to 75% of the client's net income/profit.

All fees are based on the **net loan amount**.

Legal costs charged include VAT where applicable. For legal representation & independent legal **advise** criteria see page 16.

Telegraphic Transfer Fee: £30.

Renewal fees: At the end of the term, the loan may be renewed by approval with a 5% renewal fee being incurred.

**Further details** available on each individual product plan.

#### HomeTrack Criteria

Automated Valuation unavailable on Commercial Bridge.

## Buy to Let & Homeowner Business Loan - an overview of our criteria

## Properties

**Standard property** – all standard construction houses and bungalows (including ex-council). Flats and maisonettes up to 6 stories (ex-council up to 4 stories) and purpose built apartments (excluding ex-council).

**Non-standard property** – all other property types, including ex-council flats and maisonettes (over 4 stories), non-standard construction, defective, high-rise (over 6 stories) or poor remarks on valuation. LTV for non-standard properties reduced by 10%. This could be reduced further subject to a full assessment.

**MUB's** accepted subject to units being let out separately on long term AST's. **Holiday Let's** based in a holiday park or cannot be used as a residential security **must be placed on the Commercial Term** Product.

The maximum LTV for non standard properties will be 10% lower than the maximum LTV stated to a minimum of 50%. The maximum LTV may be reduced if there's more than a 10% difference between the market value and the 90 day projected market valuation. If a 'cash' valuation has been supplied or 'poor' is detailed on the valuation, please refer. We'll use whichever valuation comes back the lowest, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

There is no limit on the number or value or properties in the customer's portfolio. Maximum overall portfolio LTV is 75%. Please refer the case if there are more than 15 securities and the overall LTV is over 65%.

The **broker or applicant** must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

## Valuation Bypass Scheme

AVM's are accepted on standard residential property types (excluding new builds). Maximum LTV and loan size may be reduced based on the confidence level. Further details available on each individual product plan.

All property valuations over £1 million are strictly subject to Underwriter approval. Additional audit valuations may be required on properties worth £1.5 million or above and on higher loan to value applications.

**Individuals, sole traders, LLPs, Partnerships, Limited Companies** all accepted. **Portfolio landlords** accepted.

#### **Credit Profiles**

Product selection is based on demerits. A demerit is allocated for each secured arrears, CCJ and default registered in the last 12 months. Demerits are allocated based on age and value. One demerit is allocated for each CCJ and default for:

Unsatisfied: £300 - £10,000

Satisfied: > £3,000

Ignore all:  $\leq £300$  or satisfied  $\leq £3,000$ 

Refer: unsatisfied > £10,000

All **affordability assessments on BTL variable** rate loans are **subject to a 1% stress test** to pay rate All **affordability assessments on Homeowner Business Loan variable** rate loans are **subject to a 3% stress test** to pay rate

BTL - please see individual product plans.

**Homeowner Business Loans** - Automated affordability using ONS averages for expenditure. If ONS fails, use full affordability using customers stated expenditure.

Holiday Let - Affordability can be based on an ICR or a TSDI basis.

Where there is 2 years rental history and this can be evidenced, 80% of the total annual income can be used and averaged over a 12 month period and ICR calculation will apply.

If 2 years rental history cannot be evidenced, or if projected rental income is being used, the maximum income that can be used is 50%. This will be added to the clients outside net income sources and TSDI calculation will apply.

**TSDI referrals** can be accepted up to 75% of the client's net income/profit.

All fees are based on the net loan amount.

**Arrangement Fee, Legal Costs** and **Title Insurance** are paid by the applicant and added to the advance.

**Legal costs** charged include VAT where applicable. For **legal representation & independent legal advise** criteria see page 16.

**Telegraphic Transfer Fee**: £30 applies to all cases.

All property valuations over £1 million are strictly subject to Underwriter approval. Additional audit valuations may be required on properties worth £1.5 million or above and on higher loan to value applications.

#### Commercial Term – an overview of our criteria

Commercial investment property and owner occupied accepted.

**100% funding** available with additional security.

All commercial property types considered on merit.

Pubs, B&Bs, dry cleaners & land - up to 50% LTV

180 day valuation acceptable for the LTV as long as there is less than 15% difference between the OMV and the 180 day valuation.

All loans require a full valuation of the security, AVM's **not** accepted.

## Credit Profiles

Product selection is based on demerits, defined as a CCJ, default or arrears in the last 12 months (adverse older than 12 months is ignored for plan selection).

Individual CCJs and defaults:

Ignore all  $\leq$  £300 or satisfied  $\leq$  £3,000

1 demerit: unsatisfied £300 - £10,000; satisfied > £3,000

Refer: unsatisfied > £10,000

Secured arrears - Demerit points are defined as the highest number of arrears in the last 12 months.

Individuals, sole traders, LLPs, Partnerships and Limited Companies accepted. Employed and self-employed applicants accepted. Expats and non-UK residents accepted.

## All affordability assessments on variable rate loans are subject to a 1% stress test to pay rate

Affordability will be assessed on either;

Total Secured Debt to Income (TSDI) ratio: the total secured debt payments should not exceed 50% of the customer's net income/profit.

Rental income - 120% ICR

TSDI referrals accepted up to 75% of the customers net income/profit.

Additional income accepted.

No minimum income requirements.

Holiday Let - Affordability can be based on an ICR or a TSDI basis.

Where there is 2 years rental history and this can be evidenced, 80% of the total annual income can be used and averaged over a 12 month period and ICR calculation will apply.

If 2 years rental history cannot be evidenced, or if projected rental income is being used, the maximum income that can be used is 50%. This will be added to the clients outside net income sources and TSDI calculation will apply.

All fees are based on the **net loan amount.** 

**Legal costs** charged include VAT where applicable. For **legal representation & independent legal advise** criteria see page 16.

Telegraphic Transfer Fee: £30 applies to all cases.

All fees are paid by the applicant(s) and added to the advance.

1% (maximum £2500) **exit fee** is charge on redemption of the loan.

## Unregulated Bridge – an overview of our criteria

Residential investment property (including BTL) in England, Scotland and Wales.

All commercial property types (including land) considered on merit.

#### **Valuations**

We'll use whichever valuation comes back the lowest, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

The **broker or applicant** must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

If there is more than a 10% difference between market value and the 90 day projected market value for a residential property, or more than a 15% difference between market value and the 180 day valuation for a **commercial property**, this should be referred.

#### Valuation Bypass Scheme

AVM's are accepted on standard residential property types (excluding new builds). Maximum LTV and loan size may be reduced based on the confidence level.

All property valuations over £1 million are strictly subject to Underwriter approval. Additional audit valuations may be required on properties worth £1.5 million or above and on higher loan to value applications.

Further details available on each individual product plan.

## Loan Purpose & Exit Strategies

**First charge** is always required against the property being purchased.

The following exit strategies can be accepted: sale of current owner-occupied property, sale of the security, remortgaging or inheritance where a grant of probate has been issued.

**Re-bridging** an existing bridging loan may also be accepted.

**Please note** – independent legal advice will be required on all applications.

We will consider many status profiles and a wide variety of income sources.

Expats and non-UK residents may be accepted.

There is a minimum age of 18 years and if self-funded, no maximum age. If income is required, a maximum age of 80 applies.

Affordability will be assessed on a total secured debt to income (TSDI) ratio. The total secured debt payments should not exceed 50% of the clients net income/profit.

TSDI referrals can be accepted up to 75% of the client's net income/profit.

All fees are based on the **net loan amount**.

Legal costs charged include VAT where applicable. For legal representation & independent legal **advise** criteria see page 16.

Telegraphic Transfer Fee: £30.

Renewal fees: At the end of the term, the loan may be renewed by approval with a 5% renewal fee being incurred.

**Further details** available on each individual product plan.

#### HomeTrack Criteria

Automated Valuation unavailable on Commercial Bridge.

## Buy to Let & Homeowner Business Loan – an overview of our criteria

## Properties

**Standard property** – all standard construction houses and bungalows (including ex-council). Flats and maisonettes up to 6 stories (ex-council up to 4 stories) and purpose built apartments (excluding ex-council).

**Non-standard property** – all other property types, including ex-council flats and maisonettes (over 4 stories), non-standard construction, defective, high-rise (over 6 stories) or poor remarks on valuation. LTV for non-standard properties reduced by 10%. This could be reduced further subject to a full assessment.

**MUB's** accepted subject to units being let out separately on long term AST's. **Holiday Let's** based in a holiday park or cannot be used as a residential security **must be placed on the Commercial Term** Product.

The maximum LTV for non standard properties will be 10% lower than the maximum LTV stated to a minimum of 50%. The maximum LTV may be reduced if there's more than a 10% difference between the market value and the 90 day projected market valuation. If a 'cash' valuation has been supplied or 'poor' is detailed on the valuation, please refer. We'll use whichever valuation comes back the lowest, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

There is no limit on the number or value or properties in the customer's portfolio. Maximum overall portfolio LTV is 75%. Please refer the case if there are more than 15 securities and the overall LTV is over 65%.

The **broker or applicant** must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

AVM's are accepted on standard residential property types (excluding new builds). Maximum LTV and loan size may be reduced based on the confidence level. Further details available on each individual product plan.

All property valuations over £1 million are strictly subject to Underwriter approval. Additional audit valuations may be required on properties worth £1.5 million or above and on higher loan to value applications.

Individuals, sole traders, LLPs, Partnerships, Limited Companies all accepted. Portfolio landlords accepted.

Product selection is based on demerits. A demerit is allocated for each secured arrears, CCJ and default registered in the last 12 months. Demerits are allocated based on age and value. One demerit is allocated for each CCJ and default for:

Unsatisfied: £300 - £10,000

Satisfied: > £3,000

Ignore all:  $\leq £300$  or satisfied  $\leq £3,000$ 

Refer: unsatisfied > £10,000

All **affordability assessments on BTL variable** rate loans are **subject to a 1% stress test** to pay rate All **affordability assessments on Homeowner Business Loan variable** rate loans are **subject to a 3% stress test** to pay rate

BTL - please see individual product plans.

**Homeowner Business Loans** - Automated affordability using ONS averages for expenditure. If ONS fails, use full affordability using customers stated expenditure.

Holiday Let - Affordability can be based on an ICR or a TSDI basis.

Where there is 2 years rental history and this can be evidenced, 80% of the total annual income can be used and averaged over a 12 month period and ICR calculation will apply.

If 2 years rental history cannot be evidenced, or if projected rental income is being used, the maximum income that can be used is 50%. This will be added to the clients outside net income sources and TSDI calculation will apply.

**TSDI referrals** can be accepted up to 75% of the client's net income/profit.

All fees are based on the net loan amount.

**Arrangement Fee, Legal Costs** and **Title Insurance** are paid by the applicant and added to the advance.

**Legal costs** charged include VAT where applicable. For **legal representation & independent legal advise** criteria see page 16.

**Telegraphic Transfer Fee**: £30 applies to all cases.

#### Commercial Term – an overview of our criteria

Commercial investment property and owner occupied accepted.

**100% funding** available with additional security.

All commercial property types considered on merit.

Pubs, B&Bs, dry cleaners & land - up to 50% LTV

180 day valuation acceptable for the LTV as long as there is less than 15% difference between the OMV and the 180 day valuation.

All loans require a full valuation of the security, AVM's **not** accepted.

## Credit Profiles

Product selection is based on demerits, defined as a CCJ, default or arrears in the last 12 months (adverse older than 12 months is ignored for plan selection).

Individual CCJs and defaults:

Ignore all  $\leq$  £300 or satisfied  $\leq$  £3,000

1 demerit: unsatisfied £300 - £10,000; satisfied > £3,000

Refer: unsatisfied > £10,000

Secured arrears - Demerit points are defined as the highest number of arrears in the last 12 months.

Individuals, sole traders, LLPs, Partnerships and Limited Companies accepted. Employed and self-employed applicants accepted. Expats and non-UK residents accepted.

## All affordability assessments on variable rate loans are subject to a 1% stress test to pay rate

Affordability will be assessed on either;

Total Secured Debt to Income (TSDI) ratio: the total secured debt payments should not exceed 50% of the customer's net income/profit.

Rental income - 120% ICR

TSDI referrals accepted up to 75% of the customers net income/profit.

Additional income accepted.

No minimum income requirements.

Holiday Let - Affordability can be based on an ICR or a TSDI basis.

Where there is 2 years rental history and this can be evidenced, 80% of the total annual income can be used and averaged over a 12 month period and ICR calculation will apply.

If 2 years rental history cannot be evidenced, or if projected rental income is being used, the maximum income that can be used is 50%. This will be added to the clients outside net income sources and TSDI calculation will apply.

All fees are based on the **net loan amount.** 

**Legal costs** charged include VAT where applicable. For **legal representation & independent legal advise** criteria see page 16.

Telegraphic Transfer Fee: £30 applies to all cases.

All fees are paid by the applicant(s) and added to the advance.

1% (maximum £2500) **exit fee** is charge on redemption of the loan.
