An overview of our criteria for all products

Properties

Standard property – all standard construction houses and bungalows (including ex-council). Flats and maisonettes up to 6 storeys (ex-council up to 4 storeys) and purpose built apartments (excluding ex-council).

Non-standard property – all other property types, including ex-council flats and maisonettes (over 4 storeys), non-standard construction, defective, high-rise (over 6 storeys) or poor remarks on valuation. LTV for non-standard properties reduced to 60%. This could be reduced further subject to a full assessment.

Fire Risk Assessment and Cladding - for all flats in blocks (above and below six storeys), an up to date Fire Risk Assessment (FRA) must be in place and submitted with the application. In the following circumstances we also require an External Wall Review – EWS 1 Form; the property is known to have ACM cladding (any height), the property has an unknown cladding type and is above six storeys in height (over 18m), the property has balconies containing combustible materials (any height).

Valuations

There is **no minimum valuation** on any of the products.

The **maximum LTV** may be reduced if there is more than a 10% difference between market value and the 90 day market valuation.

We'll use whichever valuation comes back the **lowest**, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

The **broker or applicant** must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

Valuation Bypass Scheme

For all purchases and remortgages, **AVM's** can be accepted on **standard** properties. The maximum LTV and loan size may be reduced based on the confidence level.

Non-standard and new build properties are **not permitted**, new build property being defined as being the first sale by the builder.

Credit Profile & Arrears

Product selection is based on **demerits**. A demerit is allocated for each secured arrears, CCJ and default registered in the last 12 months.

Arrears demerit points are based on the highest number of months in arrears of any secured lending in the last 12 months.

Up to three settled payday loans in the last 12 months are accepted. One active payday loan will be considered by referral, but must be repaid as part of the new mortgage (remortgage, deed cases and secured loans only).

No declining unsecured arrears in the last 6 months.

Additional criteria is in place for Prime Plus applicants.

Demerits are allocated based on age and value. One demerit is allocated for each CCJ and default for:

- Unsatisfied: £300 - £10,000
- Satisfied: > £3,000
- Ignore all: ≤ £300 or satisfied ≤ £3,000
- Refer: unsatisfied > £10,000

Employment

Employed, self-employed, contractors, zero-hour contracts and retired applicants **accepted**.
